## ISLANDERS HAVE EDGE ON MOLINE

Independents' Goal Has Not Been Crossed While Six Touchdowns are Made On Red Men.

LOCALS RUN UP 202 POINTS

Indians Score 120 Points While Opponents Collect 42—Flow City Had Hard Schedule.

In comparative scores and records for this season the Rock Island Independents have a decided edge on their rivals, the Moline Red Men. The Indians have participated in seven games this year and won six, while the Independents have played six and won all, giving them a clean sheet, with the exception of the tie game played with the Red Men last month. In summing up the Islanders are batting at a 1.00 clip, while Coach Lanum's crew is hitting .857.

In six games the Independents have run up a total of 202 points to their opponents 42, and their goal line has yet to be crossed this year. The Moline Red Men were scored upon in three games, Cabery getting 14, Taylorville 2 and Evanston 26, and in all their goal line has been crossed six times. It must be said in all fairness, however, that the Indians have played a harder schedule this year. The Indians had five strong teams, the Independents, Chicago Sportsmen's club, Cabery, Taylorville and Evanston, while the hard games for the Islanders were the Red Men, Aurora Greyhounds and Des Moines Missions.

The Independents have met three weak eleven's, while the Red Men played but two games of inferior calibre. In spite of their stiff schedule the Indians have come through in fine shape, and every man on the Moline team will be in fine fettle when the two rivals clash here Sunday. It is still rumored that Maguerkurth, the giant guard, and Wellendorf, the end, will be back in the Indians' lineup Sunday. Ted Frenberg played a great game for Moline against the North Ends and it does not seem probable that he will be supplanted by Wellendorf after the showing he made Sunday. With Maguerkurth it is different, however, as the Red Men's line showed up woefully weak at times against Evanston.

**Islanders Work Out.**  
Coach Lee Litt drove the Independents through a fast workout last night. Loyal Robb and Murphy were again in football togs and it is thought that both will be in the Islanders' lineup Sunday. Litt is figuring on some changes and it would not be surprising to see Robb back in a backfield position again, with Murphy on an end position.

The Independents will hold four stiff workouts this week in preparation for the crucial tilt and Coach Litt is planning on a practice Saturday afternoon. Tomorrow night and Friday night the squad will work out under the arc lights at the Twenty-first street play grounds. Litt is working out a set of new plays and formations to spring on the Indians.

Following is a comparative record of the two teams for this season:

**Game To Be Played.**

All doubt as to whether or not the game between the Red Men and Independents is to be played Sunday vanished late yesterday afternoon, when Manager Flanagan agreed to permit the Red Men to pick the official over whom there has been some argument between the two managements. Rather than disappoint the fans Manager Flanagan made the concession, although at first he refused to consider the employment of any other than an outside man.

## WHITE PUTS OUT SAYLOR IN FIRST

Indiana Boxer Who Claims He Beat Welsh Is Soft for Chicago Aspirant to Title.

Chicago, Nov. 17.—A crowd of several thousand fans saw Charlie White of Chicago nip across a knockout on Young Saylor of Indianapolis in less than 50 seconds at the Atlas A. A. last night.

The whole thing happened before the big crowd had got comfortably settled in their seats. After they had shaken hands, Saylor danced around and with his peculiar loop-the-loop swing, tapped White lightly twice on the hand. White waded in, and after shooting three body blows in, and then whopped across his left, Saylor crumpled and hit the mat. He staggered up at the count of seven and started to push into a clinch.

White took two steps forward and met him, again crossing with his left, this time sending the Indianapolis lad down for the full count.

Several times while the count was being tolled off Saylor vainly tried to rise. He was not knocked out cold and some quick work on the part of his seconds brought him to his feet in short order after he had been counted out by another Charlie White, the referee.

The quick finish was a big disappointment to the crowd, especially as several arguments preceded the tilt. First of all there was a long argument in the dressing room over the referee. White wanted Charlie White and Saylor demanded Phil Donahue, a local official.

**TO DOPE TILTS IS TO BID FOR JACKET**

Those birds who try to figure out the relative strength of teams by comparative scores are due to finish their caroling in the booby hatch because the task is an almost impossible one. Here is an illustration:

The University of Washington beat the Oregon Aggies 29 to 0, the Oregon Aggies beat the Michigan Aggies 20 to 0 and the Michigan Aggies whaled Michigan 24 to 0.

Now those who have tried to find out what Washington would do to Michigan if they met have discovered, by using the comparative scores, that Washington would beat Michigan 19-20 to 0.

This is exhibit No. 2:

The University of Tennessee beat Cumberland 101 to 0, and Vanderbilt whalloped Tennessee 35 to 0. Figures being figures, the conclusion is—if comparative scores count—that Vanderbilt ought to beat Cumberland 3-55 to 0.

"Oh, keeper, here's some patients."

**BOTH MUST WIN TO SHARE BIG 9 TITLE**

Games between Illinois and Chicago on Stagg field and Wisconsin and Minnesota at Madison, the results of which may decide the western conference championship, and the annual clash between Yale and Harvard at Cambridge, will command the attention of football fans on Saturday. Because of the many upsets this year the victory which would result in a double tie for the title now held by Illinois. On past performances Illinois and Minnesota should win, but because of certain breaks in a hard fought contest the least error in judgment or a fumble may upset the ultimate result.

## COACH OR PLAYERS, WHICH MAKES TEAM?

"Some folk claim that it's the players alone who make a football team great; others claim it's the coach," says a New York expert.

Well, Michigan had Yost back in 1903 and 1904 and 1905 and it still has Yost. It had Heston, Reddon, Snow and several others back in those "point-a-minute" days—but they are gone. Michigan was great in those days—but it isn't great now.

Harvard had Brickley, Pennock, Brandlee and Hardwick in 1913 and 1914—and also it had Percy Haughton as coach. Those 1913 and 1914 machines leaped to the crest of the football world. Harvard in this year, A. D. 1915, still has Monsieur Haughton, but Brickley, Hardwick, Brandlee and Pennock are gone. And Harvard isn't the "chump."

On the other hand, we call your attention to Washington and Jefferson college. Last year it had Spiegel, Cruikshank, Patterson, Fleming and Young. Also it had Bob Fowell as Coach. The W. and J. team in 1911 was a wonder. The 1915 team retains none of the 1914 stars—but it retains Fowell. And W. and J. this year seems to be just as powerful as it was last year.

What's the answer?

**MAHAN PUNTING MAY BE FACTOR IN TILT**

Cambridge, Mass., Nov. 17.—Coach Haughton sent his varsity through a half hour's scrimmage yesterday against the second team in order to buck up the defense especially on the right side of the wing. No scoring was attempted, but the coaches were merciless in the way they drove the players at the second team.

One pleasing feature of the drill was the all around kicking of Captain Mahan. He sent field goals over the bars from all directions, two of which punted over from the 55-yard mark. His punting also was light edged, some of his long twisters traveling between 65 and 75 yards.

New Haven, Conn., Nov. 17.—Yale's varsity players, given the only scrimmage practice of the week, were placed on the defensive against the scrubs for about fifteen minutes. The second team, using Harvard formations, was given the ball at various sections of the field to illustrate some play. The varsity was unable to withstand the attack of its rivals.

## GOVERNOR'S SON IS CAPTAIN CANDIDATE

Ann Arbor, Mich., Nov. 17.—"Morrie" Dunne, son of the governor of Illinois, probably will be named as captain of Michigan's 1916 eleven. The election will be held next Tuesday. Maubetsch, all-American halfback, is Dunne's only opponent for the honor. Sixteen members of Yost's 1915 varsity were awarded "M's" last night as follows: Cochran (captain), Maubetsch, Smith, Catlett, Bastian, Raymond, Dunne, Staats, Whalen, Norton, Weske, Rohm, Watson, Niemann, Rehor and Millard.

## FEDS ARE TO LOCATE IN PARK IN MANHATTAN

New York, Nov. 17.—The Hague tribunal now has a fat chance of arbitrating the well-known baseball war now. Colonel Jim Gilmore, the fighting Fed, apparently pulled all the tail feathers out of the justly famous peace dove yesterday with a flat-footed announcement that the Kansas City Fed franchise, transferred to New York, means just what it says—that the Feds positively and absolutely will have a team and a park in Manhattan next summer.

## WILL NOT BE WITH BADGERS NEXT YEAR

Madison, Wis., Nov. 17.—Bill Juneau will sing his swan song as coach for the Wisconsin eleven this year. This was the feeling among the students yesterday. Names of prominent football men were being mentioned as successors to Juneau. Reports that the coach and Captain Buck clashed in a fist fight following the Illinois game last Saturday were branded as false by both Buck and Juneau.

Kewanee, Ill., Nov. 17.—Kewanee and Freeport high schools yesterday closed negotiations for a football game here on Thanksgiving day.

## FULTON CHOICE IN BETTING ON FIGHT

Chicago, Nov. 17.—With his opponent, Fred Fulton, the Rochester, Minn., giant, favorite over him by the long odds of 2 to 1, Andre Anderson, Chicago's aspirant for the heavyweight championship, faces the acid test at Milwaukee tonight. But any one who saw the local scrapper go through his final mild training yesterday at Forbes' gymnasium in well aware that Anderson will not be lacking in supporters. He has many admirers who believe the one-sided odds are out of line and that he has an equal chance against the big fellow from Minnesota.

## TO TAKE MOVIE OF YALE HARVARD GAME

Cambridge, Mass., Nov. 17.—Moving pictures will be taken of the Harvard-Yale game here Saturday. So many offers have been received from film companies for the rights to record the game that the Harvard authorities decided there was good financial gains in it and will do it themselves.

## Interval.

The 20-year-old daughter of the president of one bank, director of two others and a railroad or two stood before her dressing table in a brown study. Measurably.

Three men, each one of whom wanted to make a loan of \$100,000, paced the floor.

Her father sat inwardly fuming in the auto while a hundred business letters remained unread.

Twenty clerks paused until the work of a day could be given out.

Six cylinders, accomplishing nothing, buzzed on.

Four servants, leaving their morning's routine, rushed aimlessly about.

And the girl called: "Oh, papa, it isn't my fault. I cannot find my gloves!"—Life.

## LOOK OUT FOR COLDS---CATARRH

Don't let this Winter bring to you the annoyance of Catarrh and suffering which every man and woman who is afflicted with this disease, has cause to dread.

First of all remember, if you will continue to suffer with Catarrh, it is your own fault. Catarrh is worse in Winter because the most common place precautions against germs and contaminations are neglected. We go to stuffy theatres and inhale over and over again vitiated and germ-laden air. We sit in over-heated rooms, neglect exercise, exclude fresh air because it's cold, and in a hundred ways do everything possible to assist in the ravages of a disease that is already making tremendous progress towards a complete rapping of vitality. It is small wonder that Winter brings additional annoyance to Catarrh sufferers. The nostrils, reasonably free in summer, are easily stopped up by the inflammation of the tender membrane, and the phlegm and secretions which cannot readily flow, aggravate the delicate lining of the throat and poison the system. Hawking and spitting becomes more frequent. In fact, Catarrh is not only a nuisance, danger and annoyance to the afflicted, but a cogitated menace to everybody. Any one who comes in contact with Catarrh germs, expectorated or exhaled in stuffy rooms, poorly ventilated theatres or cars, may contract the disease. They'll think they have

taken cold, but it is more likely that this insidious waster of strength and vigor has fastened itself upon them. They will soon know the Catarrhal headache, the disagreeable closing of air passages, they may find it attacking the bones of the nose, the tissues of the ear, resulting in deafness, the loss of smell, for no part of a body is secure from the ravages of Catarrh. Catarrh makes you sick all over. It is a disease of the blood. It circulates through the system, and for this reason sprays, washes, vapours and salves must be failures in curing it. You can relieve Catarrh thoroughly and permanently. S. S. S. will cleanse the blood, relieve unhealthy secretions, reduce the membranous swelling. It will literally wash the blood free from the poison. S. S. S. goes directly to the source of trouble, enriches, while it cleanses the blood. It is a wonderful tonic invigorator. Write us particulars of your case and let our physicians help you get rid of this stubborn and dangerous malady. Our physicians are trained specialists; their services cost you nothing. We will take pleasure in answering questions. S. S. S. is for sale at drug stores. Refuse imitations. Write the Swift Specific Company, Medical Department, Room 15, Atlanta, Ga.
